

## Tom Walker POV Change

The short story is told in **third person omniscient** point of view. Choose a scene in the story to retell in first person as either Tom Walker's wife, the Devil, or Tom Walker himself. (Minimum length: ½ page)

Scenes to consider:

- Tom meets the Devil
- Tom tells his wife about the deal
- Tom's wife seeks out the Devil herself
- Tom discovers his wife is dead
- The Devil comes for Tom

Now write a second one – a different scene and a different character.
