

Lord of the Flies Narrative

At the end of the novel, the boys are rescued by a ship... but suppose they weren't. Picking up on page 200, re-write the ending of the story **FROM RALPH'S POINT OF VIEW**. Perhaps they still get rescued, perhaps they don't, perhaps Ralph is killed, perhaps someone else. The ending is up to you. MINIMUM LENGTH: ONE PAGE (front)

Narrative should have:

- Sensory language (Use a lot of creative adjectives)
- Use dialogue
- Break your story into paragraphs, where appropriate.
