

Soundtrack to My Life

- 1) Choose 4 personal life events and 4 different songs (school appropriate*) that define, explain, or accompany those major events.
- 2) Map out your songs in an order that has meaning to you (chronologically, order of importance, etc.)
- 3) Write a paragraph for **each** of your 4 song choices telling the title (and artist, if you know it) and explaining how it relates to your life and why it is important to you.

*If your song has profanity in it and you absolutely, positively **MUST** use the title and/or lyrics to that song, please ********* the inappropriate words. 😊
