

Speech to the Second Virginia Convention (p. 116) --- Patrick Henry

Find evidence in this famous speech by Henry related to the following topics in his speech. Write them down *exactly* as you find them. Remember, when using a quote, use quotations marks and make sure to copy it word for word, same punctuation, spelling, etc. The topics are in order, but you may find others related to the same topic elsewhere in the speech.

Topic	Quote from speech
1. Henry's respect for the ideas of others even when he disagrees with their point of view.	
2. The only choices he feels are available for the colonists	
3. Importance of religion	
4. Importance of learning from the past	
5. New Testament allusion to the betrayal of Christ - (Comparing King George III to Judas)	
6. Define allusion	
7. Four ways in one sentence that the Colonists have tried to deal with British oppression	
8. An important repetition made by Henry (Good speakers use repetition to emphasize their main point. Henry definitely does that here)	
9. The main argument offered by those Colonists opposed to Henry	
10. The famous closing line that serves as the clincher for this masterpiece of a speech
