

Transcendental Prewrite

Write about a time when you felt completely **self-reliant**. Explain the circumstances and the outcome. (Minimum length: One complete paragraph)

Write about a time that you were a **non-conformist** or a **free-thinker**. What did you do or say that was different than those around you? What did you do with this information? Did you post it somewhere? Did you argue with someone? How far would you be willing to take your idea? (Minimum length: One complete paragraph)

What are your feelings about **Nature**, in general? Do you enjoy being outside? When? Under what circumstances? What does Nature mean to you? What comes to mind when you hear or read the word, "nature"? (Minimum length: One complete paragraph)
